Please identify the type of publisher.

___ Small Publisher* (defined as small independent publishers, self-publishers, university press, and most organizations/associations)

___ Large Publisher⁺ (Defined as established publishers, which may own subsidiary publishers and imprints and some large organizations/associations)

Please initial the below section, sign your application and return it to NAPNAP - Attention: Project Development Specialist at Sharper@napnap.org or fax: 856-857-1600.

If the above reference book is selected by NAPNAP for a web posting, I understand:

*Small publishers of selected books are expected to pay a one-time \$50 administrative fee for this opportunity and must have a systematic tracking and recording process in place. ⁺Large publishers of selected books are expected to pay a 10% sales commission from related book sales.

A signed Online Book and Weblink Agreement (Appendix C) is required for all book postings.
