

NAPNAP Industry-Sponsored Posters 2010

NAPNAP is accepting abstracts for industry-sponsored posters for the 2010 Annual Conference, to be held in Chicago, IL on April 15 - 18, 2010.

Process

The industry-sponsored poster abstracts are reviewed by the Research Committee, but at a later time than the Research/Evidence Based/Practice Innovation abstracts. These abstracts and related posters depict the outcomes of research that has been sponsored by industry. The posters are excluded from the competitive judging process. There is also a fee associated with submission and review of these abstracts. The call for industry-sponsored poster abstracts is announced separately.

Identification of Industry-Sponsored

Abstract should be clearly submitted as an "industry sponsored" abstract. If the principal investigator received some unrestricted support for a project, but maintained full control over the design, implementation, and analysis of a project, it is not "industry sponsored". An example of this would be a NAPNAP Immunization grant sponsored project. If the researchers or presenters are employees of a pharmaceutical or related corporation, or the project was otherwise directed or solely funded by a corporation, the poster is considered to be industry-sponsored.

Fees

\$150.00 (special 2010 Conference Exhibitor rate); \$300.00 if not exhibiting

Requirements

- Abstracts must be prepared per below format and submitted with the application form.
- Abstracts will be accepted based on their scientific merit, relevance to practice, and general interest.
- Institutional Review Board (IRB) approval **MUST** be obtained and documented in the abstract (including name of organization where the IRB approval was granted.)
- Abstracts should contain original data.
- Posters should not be of a commercial or promotional nature.
- Only one poster per study or protocol will be allowed for presentation regardless of the number of sites or investigators presenting in the study.
- The posters will be displayed in an area separate than other posters and will be clearly identified as Industry-Sponsored.
- The posters will be designated as **Industry-sponsored** in the conference materials and signage.
- At least one presenter must be registered for the conference.
- Sponsoring organization will be contacted for verification of sponsorship.

Format for Submission

- Abstracts should be typed vertically to fit an 8 1/2" X 11" page.
- Abstracts should be one page (limited to 300 words) maximum
- Top of page should be author's name, credentials, institutional affiliation and city (Above information should be written **exactly** as will be printed in brochure).
- Body of abstract should include title, brief statement of purpose, methods, conclusions, clinical application(s), and details of IRB approval.
- Sponsoring company should be identified

Posters

- The poster board provided is 96" width, 48" height.
- The title and authors' name(s) should be clearly identified on poster
- Abstract (as submitted) must be posted on poster.
- Industry support must be acknowledged on the poster.

Guidelines for Submission

Abstracts can be submitted as e-mail attachments (in Microsoft Word) or via mail. If mailed, submit the Poster Application form, together with two copies of the abstract (camera ready) and a cd rom that matches exactly the hard copy.

Payment must be received in order for the abstract to be forwarded to the review committee.

Make checks payable to: NAPNAP Annual Conference. Fees will be returned if poster not accepted. NAPNAP is a 501(c)(6) non-profit professional association. Tax ID#23-7403934

Deadline: **December 14, 2009** – Notification Date: January 11, 2010

Disclaimer: If the poster/research study has been previously presented or published at another event or in a publication, a disclaimer needs to be added to the poster identifying where and when it was previously presented and/or published. If the poster/research study has been copyrighted for another event or for a publication, it cannot be presented at the NAPNAP conference.
