NAPNAP Launches New Career Center

Cherry Hill, NJ (August 20, 2008) - The National Association of Pediatric Nurse Practitioners announced today its newest offering to association members, NAPNAP Career Connection - a web-based career center that connects job seekers with prospective employers. The new job board can be found at <http://careerconnection.napnap.org>. Access is available to NAPNAP members, employers and non-members.

“Launching an online career center for professionals in our field is a direct benefit to our members. Our goal is to keep members informed of available employment opportunities and to link them to pertinent career resources. NAPNAP wants to assist our members to achieve their career goals and to keep PNPs at the cutting edge of health care” says Linda Lindeke, PhD, RN, CPNP, NAPNAP President.

NAPNAP’s career center distinguishes itself from other job boards in a number of ways including:

- a highly targeted focus on employment opportunities for NAPNAP members by location or job type
- support from professional career experts – providing support in job searches, resume writing, interviewing techniques
- anonymous resume posting and job application—enabling job candidates to stay connected to the employment market while maintaining full control over their confidential information
- an advanced Job Alert system that notifies candidates of new opportunities matching their own pre-selected criteria

The new website also provides hundreds of job opportunities from a variety of sources on the web. To visit the NAPNAP Career Connection, go to <http://careerconnection.napnap.org> or log onto NAPNAP’s website www.napnap.org and click on the Career Center link. For additional information, please contact the National Office at 1-877-662-7627 or email nsalomone@napnap.org.
