41st National Conference on Pediatric Health Care

March 25-28
Long Beach, Calif.

Long Beach Convention & Entertainment Center

Exhibit dates: March 25-27, 2020
CONNECT WITH PEDIATRIC HEALTHCARE LEADERS

Exhibiting at conferences can be a big investment for your company or organization. We work hard to make sure that investment pays off. As The Leader in Pediatric Education for Nurse Practitioners®, our conference attracts more than 1,800 pediatric-focused advanced practice registered nurses (APRNs), including pediatric nurse practitioners (PNPs) and family nurse practitioners (FNPs), from across the country.

When you exhibit and sponsor at our conference, you connect with leaders working in primary care, specialty care, acute care hospitals, hospital-based clinics, emergency rooms, urgent and convenient care clinics, public health facilities, school-based health centers and more.

PNPs and their fellow pediatric-focused APRNs are a valuable part of the healthcare team, interacting with parents, patients, physicians and other professionals on a daily basis. They order diagnostic tests, prescribe medications, give immunizations, coordinate services and refer to other professionals as appropriate for newborns, infants, children, adolescents and young adults. In addition, they provide education, support and health care counseling to the families of their patients and are in demand due to consumer recognition, acceptance and satisfaction.

As an exhibitor or sponsor you will have three days to showcase your products and services to healthcare leaders truly interested in learning and educating their practice colleagues and patient families. Your time will be well spent at our 41st National Conference on Pediatric Health Care.

ABOUT NAPNAP AND OUR CONFERENCE

The National Association of Pediatric Nurse Practitioners (NAPNAP) is the nation’s only professional association of PNPs and their fellow pediatric-focused APRNs dedicated to improving the quality of health care for infants, children, adolescents and young adults. Representing more than 9,000 health care practitioners nationwide with 20 special interest groups and 50 chapters, NAPNAP has been advocating for children’s health since 1973. NAPNAP is the first nurse practitioner professional society in the US.

We host a robust conference that includes more than 100 general, concurrent and poster presentation sessions, as well as certification review courses and intensive, interactive pre- and post- conference workshops. Participants can earn more than 20 hours of continuing education contact hours, including highly sought after pharmacology hours. There are dozens of leadership meetings, trainings, networking events and socials.

WANT ANOTHER OPTION? JUST ASK.
BOOST YOUR OPPORTUNITIES TO CONNECT WITH PARTICIPANTS

Hosting special events within our conference is another great way to connect with pediatric-focused APRNs about innovations that can improve their practices and patient outcomes. Ancillary symposia and product theaters attract large audiences interested in expanding their knowledge on specific conditions and treatments.

ANCILLARY EVENTS

These highly popular breakfast, lunch or dinner events provide you the opportunity to share information in a more social setting. There are two options:

- CONTINUING EDUCATION (CE) SYMPOSIA - provide an opportunity for registrants to obtain high quality, evidence-based, current information on a pediatric health topic and must offer NAPNAP CE contact hours.
- NON-CE PRODUCT THEATERS - offer registrants information on specific products and/or therapeutic areas provided by company-designated presenters. Material may be promotional and may concentrate on a specific product or drug but cannot offer NAPNAP CE contact hours.

Ancillary events cost $22,500 plus food, beverage and audio visual.

EXHIBIT HALL PRODUCT SHOWCASES

Need more time to connect with attendees on a particular topic? Consider hosting a 30-minute product showcase in our Exhibit Hall for demonstrations or informational sessions that focus on specific products, services, opportunities or therapeutic areas. Your company-designated presenter can present and respond to audience questions during these non-continuing education sessions.

Product showcases include a 30-minute session, screen/projector, laptop and pre-set seating for 60. Check NAPNAP’s special webpage for more information and pricing.

Confirmation of booth assignments will be made after full payment has been received.
FIRE REGULATIONS
All material used in the Exhibit Hall must be flameproof and fire resistant in order to conform to local fire ordinances and meet regulations established by the National Association of Fire Underwriters.

INLINE AND PERIPHERY BOOTHS
All exhibit backgrounds must conform to the standards set by the Healthcare Convention & Exhibitors Association, which are as follows:

- Backgrounds are limited to eight feet in height, inclusive of company name and logo and may be maintained up to 50 percent of the distance from the back wall toward the front of the space.
- No obstructions in the front half of the booth above a height of forty inches are permitted.

ISLAND BOOTHS
An island booth is defined as a 400 square foot (20’ x 20’) or larger exhibit space surrounded by aisles on all sides.

- Island booths must be constructed to allow access from all sides. Island booths should have open sight lines around and through the design, so the surrounding area can be viewed through the booth and neighboring booths are not inappropriately obstructed.
- The top of the booth’s sign(s) and floor structure must not extend more than 16 feet from the exhibit hall floor and cannot block visibility of NAPNAP signs or other exhibitors’ booths. Variances will not be granted.

Companies who wish to construct a 10’ x 20’ or larger booth are required to submit a drawing, rendering or plan (preferably digital) to Show Management for approval at least thirty days prior to exhibit opening. Any changes that occur after initial submission must be resubmitted to Show Management for approval prior to the conference. Should booth construction at the show deviate from the actual floor plan submitted and approved, Show Management reserves the right to ask the exhibitor to make modifications at the exhibitor’s expenses. If island floor plans are not received, Show Management reserves the right to have all or part of the booth removed on-site at the exhibitor’s expense.

ARRANGEMENT OF EXHIBITS
Each exhibitor is provided an official Exhibitor Kit. The Exhibitor Kit describes the type and arrangement of exhibit space and the standard equipment provided by Show Management for booth construction. All booth space must be arranged and constructed in accordance with the guidelines, provisions and limitations contained in the Exhibitor Kit. If, in the sole opinion of Show Management, any exhibit fails to conform to the Exhibitor Kit guidelines or if the provisions set forth herein, such exhibit will be prohibited from functioning at any time during the exhibition.

EXHIBITOR PLAN REVIEW
Booth construction plans and layout arrangement for first-time exhibitors, exhibits in island booth spaces or involving other unusual construction features, must be submitted for approval at least thirty days prior to the opening of the exhibition.

EXHIBITS & PUBLIC POLICY
Each exhibitor is charged with knowledge of all laws, ordinances and regulations pertaining to health, fire prevention and public safety, while participating in their exhibition. Compliance with such laws is mandatory for all exhibitors and the sole responsibility is that of the exhibitor.

Show Management and service contractors have no responsibility pertaining to the compliance with laws as to public policy as far as individual exhibitor’s space, materials and operation is concerned. Should an exhibitor have any questions as to the application of such laws, ordinances and regulations to its exhibit or display, Show Management will endeavor to answer them.

If unusual equipment or machinery is to be installed or if appliances that might come under fire codes are to be used, the exhibitor should communicate with Show Management for information concerning facilities or regulations. Exhibitors must comply with city and state fire regulations.

Independent contractors must conform to IAEE, ESCA, &DPA guidelines. All exhibit labor must comply with established labor jurisdictions.

STORAGE OF PACKING CRATES & BOXES
Exhibitors will not be permitted to store packing crates and boxes in their booths during the exhibit period; but these, when properly marked, will be stored and returned to the booth by service contractors. It is the exhibitor’s responsibility to mark and identify crates. Crates not properly marked or identified may be destroyed. Show Management assumes no responsibility for the contents of crates or boxes improperly labeled as “empty”.

Unattended freight in any display as of one hour prior to the exhibition opening will be removed and stored at the exhibitor’s sole risk and expense.

Because of the lack of storage facilities, it may be necessary to store empty crates and cartons outside the building. Every effort will be made to protect the crates from the elements but neither Show Management nor its service contractors will assume any responsibility for damage to them.

The removal and return of large crates will be charged for at prevailing rates.

Crates, boxes or other materials unclaimed by the exhibitor after the exhibition will be removed at the exhibitor’s expense. Exhibitors will be billed by the Show Contractor for removal time and materials at prevailing rates. Neither Show Management, the service contractors, nor the exhibit facility shall assume any liability whatsoever for loss or damage.

Exhibitors will not be permitted to store behind their booth background any excess material such as cardboard cartons, literature, etc. Excess supplies must be stored in areas which will be made available for such purposes.

INSTALLATION & DISMANTLE
Show Management reserves the right to fix the time for the installation of a booth prior to the exhibition opening and for its dismantling after the conclusion of the exhibition. Any space not claimed and occupied by 7:30 a.m. on Wednesday, March 25 may be resold or reassigned without refund. Installation of all exhibits must be fully completed by the opening time of the exhibition. Exhibits must be staffed during all exhibitor hours and may not, to any extent, be dismantled before the exhibition closing. Any early dismantling or packing shall be considered a breach of this agreement and may affect future applications.

Exhibits must remain intact until 11 a.m. on Friday, March 27. For safety reasons, the packing of equipment, literature, etc. or dismantling of exhibits is strictly prohibited until the official announcement that the Exhibit Hall is closed at 11 a.m. on Friday, March 27. Any exhibit found to be unmanned, packed or in the process of packing or dismantling prior to the official close of the Exhibit Hall will result in a fee equal to 15 percent of the total exhibiting price, loss of accumulated priority points and/or the eligibility to exhibit at future conferences.

BOOTH ACTIVITIES
CONDUCT
The conduct of each exhibit is subject to the approval of NAPNAP, which reserves the right to require modification of any exhibit, which, in its opinion, is not appropriate to the 2020 NAPNAP National Conference. This regulation also applies to displays, literature, advertising, novelties, souvenirs and the conduct of representatives, etc. All exhibitors are responsible for ensuring their representatives and/or agents adhere to all of these rules and regulations.

Exhibitors can only showcase the products and services listed in their booth application.

While we appreciate that some exhibiting companies/organizations may wish to build ongoing relationships with fellow exhibitors, exhibitors and their representatives are strictly prohibited from soliciting other exhibitors during exhibit hall open hours.

Show Management reserves the right to restrict the operation of or evict completely, any exhibit which, in its sole opinion, detracts from the general character of the exhibition as a whole. Use of so-called “barkers” or “pitchmen” is strictly prohibited. All demonstrations or other promotional activities must be confined to the limits of the exhibit space. Sufficient area must be provided within the exhibit space for the comfort and safety of persons watching demonstrations and other promotional activities. Each exhibitor is responsible for keeping the aisles near its exhibit space free of congestions caused by demonstrations or other promotions.
Microphones are not permitted. Exhibits which include the operation of musical instruments, radios, sound projection equipment or any noisemaking machines must be conducted or arranged so that the noise resulting from demonstration will not annoy or disturb adjacent exhibitors and their patrons, nor cause the aisles to be blocked. Show Management shall be the sole judge of what constitutes appropriate sound levels.

- No exhibitor may sell or recruit within the aisle space.

No exhibitor may permit any other party to exhibit any goods or services other than those manufactured or handled by the contracting exhibitor in its space nor permit the solicitation of business by others within that space. Exhibitors are not permitted to feature names or advertisements of non-exhibiting manufacturers, distributor or agents in the exhibitor’s display, parent or subsidiary companies excepted.
- No exhibitor may enter another exhibitor’s booth without permission.
- Each exhibiting company has only a terminable license to exhibit. If NAPNAP determines that an exhibitor has failed to comply with any rule or that the exhibit is not in good taste to NAPNAP, NAPNAP can terminate this license and close the exhibit without notice and no refund of fees will be paid.
- All applicable products must meet FDA guidelines and standards or be FDA approved. All products must meet state regulatory guidelines.

**LITERATURE DISTRIBUTION**

Distribution of circulars may be made only within the space assigned to the exhibitor distributing such materials. No advertising circulars, catalogs, folders or devices shall be distributed by exhibitors in the aisles, meeting rooms, registration areas, lounges or grounds of the host facility. Trade publishers are prohibited from soliciting advertising during the exhibition. Trade publications may be distributed from their booth upon request only.

**PHOTOGRAPHY/RECORDING/STREAMING**

**STAFFING**

Booths must be staffed at all times during exhibit hours, including Opening Reception, by bona fide employees or representatives of the exhibitor. As a courtesy to the participants and fellow exhibitors, NAPNAP expects strict adherence to opening and closing hours. Booths found to be unattended for the final exhibit hours may result in loss of accumulated priority points and/or may not be eligible to exhibit at future conferences.
