

Find Your Next Job Opportunity

The [NAPNAP Career Connection](#) is our premier online network for job seekers and employers. Employers attract the best talent by targeting their advertising to the most qualified candidates in the pediatric healthcare sector. Our Career Connection also provides access to the National Healthcare Career Network, an extensive network of jobs and candidates from more than 325 healthcare organizations and job boards across the country.

- Search more than 100 open positions throughout the country with access to high-quality, relevant pediatric job postings. No more wading through postings that aren't applicable to your expertise.
- Career management – you have complete control over your job search. Upload multiple resumes and cover letters, ensure that employers see you are in the job market.
- Set up job alerts to be immediately notified when new jobs are posted to the network in your specific area.
