45th National Conference on Pediatric Health Care

Wednesday, March 13–Saturday, March 16, 2024
(Pre-Conference Day: March 12, 2024)

COLORADO CONVENTION CENTER – DENVER
Pediatric-focused APRNs are key decision-makers in pediatric health care and are the providers who spend time talking to parents.

The National Association of Pediatric Nurse Practitioners is the nation’s only professional association for pediatric nurse practitioners and their fellow pediatric-focused advanced practice registered nurses dedicated to improving the quality of health care for infants, children, adolescents and young adults. Our conference attracts pediatric nurse practitioners (PNPs), family nurse practitioners (FNPs) and other pediatric providers practicing in a wide variety of settings. Representing more than 8,000 health care practitioners nationwide with 18 special interest groups and 53 chapters, our association has been advocating for children’s health since 1973. We are the first national nurse practitioner professional society in the US.
Connect with Pediatric Health Care Leaders
Exhibiting at conferences can be a big investment for your company or organization. NAPNAP works hard to make sure that investment pays off. As The Leader in Pediatric Education for Nurse Practitioners®, our conference attracts more than 1,000 pediatric-focused advanced practice registered nurses (APRNs), including pediatric nurse practitioners (PNPs) and family nurse practitioners (FNPs) from across the country.

When you exhibit and sponsor at our conference, you connect with leaders working in primary care, specialty care, acute care hospitals, hospital-based clinics, emergency rooms, urgent and convenient care clinics, public health facilities, school-based health centers and more.

PNPs and their fellow pediatric-focused APRNs are a valuable part of the health care team, interacting with parents, patients, physicians and other professionals on a daily basis. They order diagnostic tests, prescribe medications, give immunizations, coordinate services and refer to other professionals as appropriate for newborns, infants, children, adolescents and young adults. In addition, they provide education, support and health care counseling to the families of their patients and are in demand due to consumer recognition, acceptance and satisfaction.

As an exhibitor or sponsor you will have three days to showcase your products and services to health care leaders truly interested in learning and educating their practice colleagues and patient families. Your time will be well spent at our 45th National Conference on Pediatric Health Care.

### Exhibitor Spotlight - The Deet Education Program

- **What keeps you coming back?** We never fail to be amazed by the members who attend and visit the exhibit hall. They are prepared, dedicated, and eager to engage in dialogues during which we can share important information about vector-borne diseases. We also like the fact that there is time for attendees to do so without having multiple scheduling conflicts. The food/refreshment events held in the exhibit area are excellent traffic builders.
- **What is unique about the NAPNAP audience?** NAPNAP members are dedicated to offering the best patient care possible and tell us about the challenges they sometimes face in doing so. We applaud their objectivity, knowledge, and desire to be the best they can be. They’re an amazing group, they ask questions, take time to chat, and frequently return in subsequent years to share how they have used what they learned at our booth.
- **What types of sponsorship activities have you participated in?** We have small budgets so our ability to sponsor major events is, sadly, limited. That said, NAPNAP always makes us feel welcome. We participate in the smaller budget efforts when we can. Our favorite is the “passport” activity that drives members to the booth.
- **How was your experience working with NAPNAP's exhibit management company and general contractor team to coordinate the logistics for a successful conference?** The exhibit management team has been consistently helpful, prompt in solving problems, and 100% cooperative and professional. Because we're small, we don't use their shipping services or set up services. But, we have certainly watched those teams in action over the last decade and are confident that the booth owners with large exhibits are pleased because the work is always professional and completed on time, with visually appealing results.

### SPONSORSHIP TERMS AND CONDITIONS:

Sponsor agrees to pay indicated sponsorship amount as determined by NAPNAP. Payment of 50% is due with the application. Payment in full is due January 11, 2024. We reserve the right to withdraw the sponsorship opportunity if full payment is not received by January 11, 2024. Acceptance of the sponsorship application by NAPNAP constitutes a contract. Sponsor agrees to abide by terms and conditions. Sponsorship opportunities are non-refundable. The applicant's primary contact information should be kept current with NAPNAP Show Management. Contact Show Management with any changes to facilitate any on-going communications. For security reasons, NAPNAP Show Management will communicate with only the primary contact listed on the application. All inquiries from other parties will be directed to the primary contact person. **NAPNAP will work with only one point of contact from each sponsoring company.**
Boost Your Opportunities to Connect With Participants

Hosting special events within our conference is another great way to connect with our participants about innovations that can improve their practices and patient outcomes. Ancillary symposia and product theaters attract large audiences interested in expanding their knowledge on specific conditions and treatments.

Ancillary Events

These highly popular breakfast, lunch or dinner events provide you the opportunity to share information in a more social setting. Select from our two options:

Continuing Education (CE) Symposia
Provide an opportunity for registrants to obtain high quality, evidence-based, current information on a pediatric health topic and must offer National Association of Pediatric Nurse Practitioners CE contact hours.

Non-CE Product Theaters
Offer registrants information on specific products and/or therapeutic areas provided by company-designated presenters. Material may be promotional and may concentrate on a specific product or drug but cannot offer CE contact hours.

Ancillary events cost $24,750 plus food, beverage and audio visual.

Exhibit Hall Product Showcases

Need more time to connect with attendees on a particular topic? Consider hosting a 30-minute product showcase in our Exhibit Hall for demonstrations or informational sessions that focus on specific products, services, opportunities or therapeutic areas. Your company-designated presenter can present and respond to audience questions during these non-continuing education sessions.

Product showcases include a 30-minute session, screen/projector, laptop and pre-set seating. Check our website, napnap.org, for more information and pricing.
