

**Q: How do I join/renew AFPNP?** Please log into [www.napnap.org](http://www.napnap.org) and click on my account. Once you have logged into your account, you will be directed to your personal member portal. You can click on the small profile picture located on the upper right-hand side. If you are a new member click “Join or renew my membership” if you are a renewing member click “Renew my membership”.

**Please note:** Although NAPNAP assists AFPNP with its membership billing processes, AFPNP is a separate membership organization and your AFPNP membership may be on a different renewal/billing cycle than your NAPNAP membership renewal/billing cycle. If your memberships in both organizations renew in the same month, you will see both memberships to renew when you log into your NAPNAP member portal. If your memberships renew in different months, you will only see the invoice for the specific membership requiring immediate attention.

Answer all the required membership questions and click next to proceed. You will not be able to complete your transaction, without completing all questions.
