

Your kitchen  
table, your  
24/7 classroom.

**PedsCE<sup>SM</sup> is your online resource for  
on-demand pediatric CE courses for  
primary, acute and specialty care.**

### **Why PedsCE<sup>SM</sup>?**

- We keep your participation records, so you don't have to.
- Our courses are developed by topic experts and share the latest evidence-based information.
- Our easy-to-use course catalog helps you find the education you need quickly, especially pharmacology-related content.

### **With PedsCE<sup>SM</sup>, you can:**

- Browse available continuing education courses.
- Participate in archived conference presentations, interactive modules, case studies and more – and earn NAPNAP contact hours!
- Print certificates of attendance for completed courses.
- View and manage your transcript of completed courses.

Start your CE at:
